

SafeSports – Training Instructions

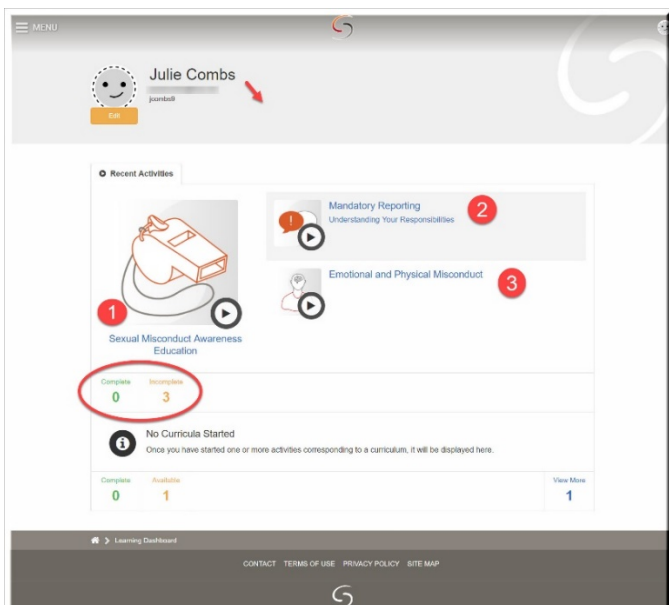

1. Go to www.safesport.org. Sign In.

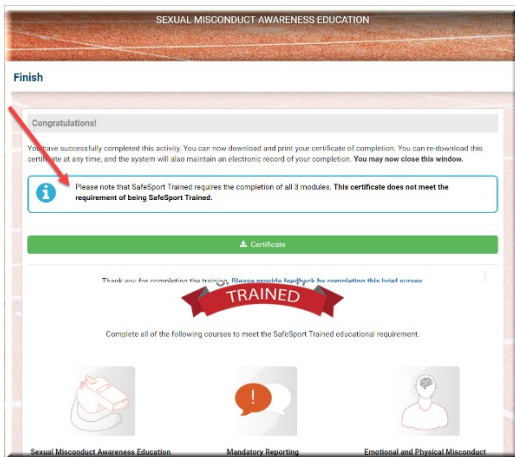

2. Fill in your email and password and click Sign In.

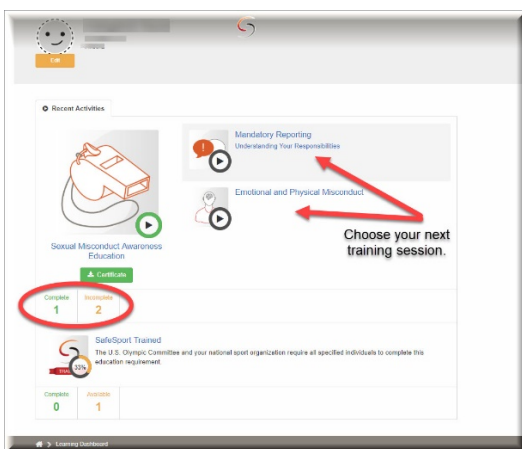

3. Click one selection and start. You will need to complete sections 1, 2, and 3. They will take about 30 minutes a section. You can complete one and sign out and come back later to do another.

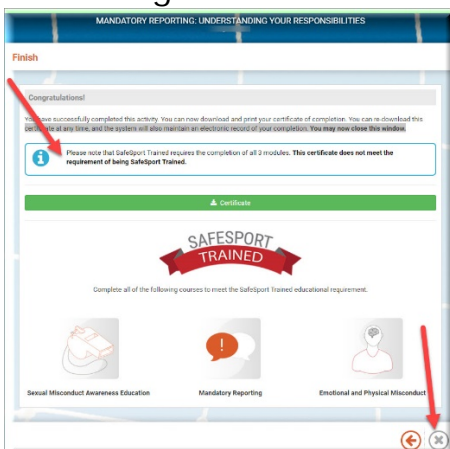

4. After you take the test for the session you started you will see this screen. You are not finished yet. This is not the certificate you need. Close this window or click the x (not shown on this screen shot) at the bottom right hand side of the screen to go back to your home page.

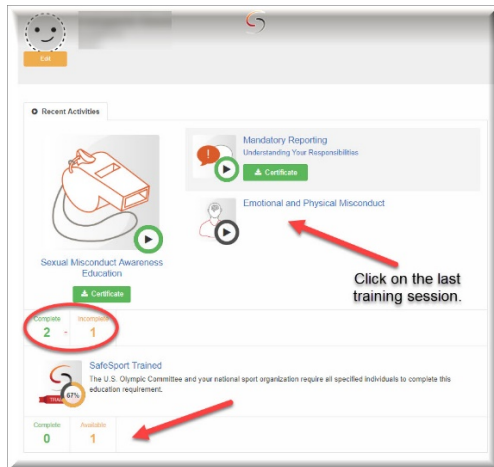

5. You have completed 1 section and need to complete 2 more. You can continue your training by selecting another section or you can sign out and complete at a later time.

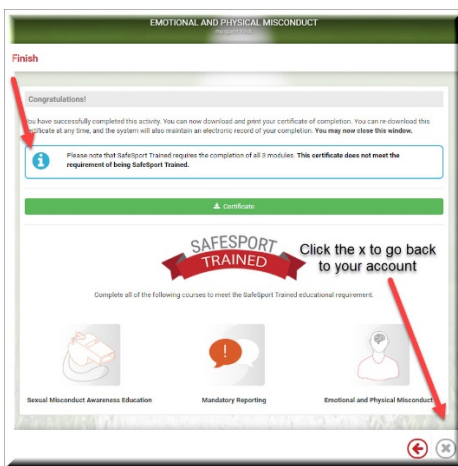

6. You are not finished yet. This is not the certificate you need. Click the x at the bottom right hand side of the screen to go back to your home page.

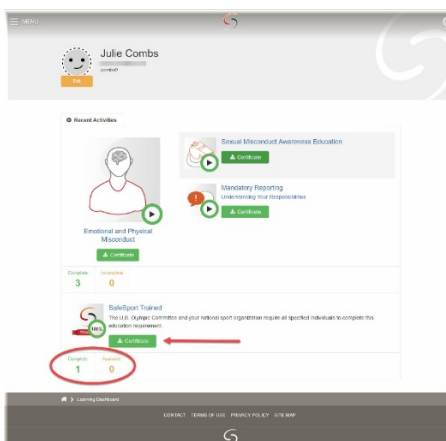

7. You have completed 2 sections and need to complete 1 more. You can continue your training by selecting another section or you can log out and complete at a later time.

8. You have completed the last session, Click the x in the lower right corner to return to your account.

9. When you have completed all 3 sections, a certificate will appear under the SafeSport Trained heading. This is the certificate you need to print. This is the one that you will need to upload to your Stack Sport Account or email to cwsc.webmaster@fuse.net.

10. This is what your certificate should look like.
